

INDEX DESCRIPTION

CECE Ukraine Reconstruction Index (CECE UA RECON) is a free float market-cap weighted price index made up of the most liquid and largest stocks of companies which could be involved in the reconstruction of Ukraine and are therefore active in the telecommunications, basic industries, industrial goods & services, utilities and finance sectors and are traded on stock exchanges in Central, Eastern and South-Eastern Europe and Austria. The index is calculated in EUR and disseminated in real time.

CECE UA RECON is designed as a tradable index to be used as an underlying instrument for structured products and for standardized derivatives (futures & options).
