

CECE INF - CECE Infrastructure Index

INDEX DESCRIPTION

CECE Infrastructure Index (CECE INF) is a free float market-cap weighted price index made up of the most liquid and largest stocks of companies traded on stock exchanges in Central, Eastern and South-Eastern Europe which focus their business operations on sectors that provide infrastructure to a region or an economy. Infrastructure means all facilities and installations that are essential for the growth and development of a country or a region. The index is calculated in EUR and disseminated in real time.

CECE INF is designed as a tradable index to be used as an underlying instrument for structured products and for standardized derivatives (futures & options).
