AT&S Management Board proposes not to distribute a dividend for the financial year 2024/25

Disclosure of inside information pursuant to Article 17 MAR

Leoben – The Management Board of AT&S decided today, subject to the approval of the Supervisory Board, to propose to the 31th Annual General Meeting on July 3, 2025 that no dividend be distributed for the financial year 2024/25 (PY: € 0.00 per share). Instead, the profit will be used to strengthen the balance sheet position.

The annual results for the financial year 2024/25 will be published on May 15, 2025 and the Annual Report on June 5, 2025.

AT & S Austria Technologie & Systemtechnik Aktiengesellschaft – Advanced Technologies & Solutions

AT&S is a leading global manufacturer of high-quality IC substrates and printed circuit boards as well as a developer of pioneering interconnect technologies for the core areas of mobile devices, automotive & aerospace, industrial, medical and high-performance computing for VR and AI applications. AT&S has a global presence with production sites in Austria (Leoben, Fehring) and plants in India (Nanjangud) and China (Shanghai, Chongqing). A new high-end production facility for IC substrates is currently being ramped up in Malaysia (Kulim). A European competence center with connected series production for IC substrate technologies is being built in Leoben. Both sites are starting production in the financial year 2024/25. The company currently employs 13,000 people. For further information please visit www.ats.net
