PIERER Mobility AG: Petra Preining appointed new CFO of PIERER Mobility AG and KTM AG

Petra Preining joins the Executive Board of PIERER Mobility AG and KTM AG as new Chief Financial Officer. The appointment of the CFO until 31 December 2028 follows the Supervisory Board's decision to expand the Executive Board with this position.

Petra Preining will take over the areas of accounting, tax, treasury, controlling, risk management, investor relations and IT on 16 September 2025. As a proven financial expert, she has many years of international experience in various companies. Since 2022, she has been CFO of the listed company AT&S Austria Technologie & Systemtechnik AG, and prior to that she held the same position at the listed company Semperit AG Holding. She has also held various management positions within the B&C Group. Earlier professional positions have taken her to companies such as Deloitte Tax Wirtschaftsprüfungs GmbH, Kraft Foods and Unilever. Petra Preining studied business administration at Vienna University of Economics and Business and is currently a member of the Supervisory Board of Frequentis AG.

Gottfried Neumeister, CEO of PIERER Mobility AG: "After a challenging period due to the restructuring process at KTM AG, we are delighted to have gained such an experienced and strong personality for the position of CFO. The appointment of the CFO to the Executive Board is a logical step towards making our organisation fit for the future. With Ms Preining's expertise and foresight, we are confident that we will be able to put our company back on a sustainable growth path and further strengthen the trust of our partners, customers, dealers and suppliers."
