**Zug, Switzerland:** 05.07.2022. On 05.07.2022, 09:35 (CEST), SunMirror AG published a German-language and English-language Ad-Hoc Publication on the unsuccessful termination of the takeover process of Latitude 66 Cobalt Limited (**Lat66**), which was sent via the EQS publication platform to both electronic distribution systems and European media.

The date of the Ad-hoc-Publication is 05.07.2022 and not, as outlined in the Ad-hoc-Publication-04.07.2022. In addition, the Ad-Hoc Publication is hereby corrected and replaced by the following:

SunMirror AG ("SunMirror"; Xetra; Vienna: ROR1; ISIN CH0396131929) announces that the previously pursued acquisition of Latitude 66 Cobalt Limited ("Lat66") will end on July 12, 2022.

To date, SunMirror has been unable to fulfil the condition of raising EUR 70 million in additional capital in the agreed and repeatedly extended timeframe as part of the takeover of Lat66. The investor who bindingly subscribed to the EUR 70 million authorized capital (see press release of 30.11.2021), only paid in a partial amount. Thus, the capital increase from the authorized capital had to be omitted to the extent to which the performance of the capital increase amount was omitted.

Furthermore, the Independent Directors of Lat66 have withdrawn their recommendation that Lat66 Shareholders accept SunMirror (Luxembourg) S.A.'s offer to acquire all of the shares in Lat66 (the "Offer"). The Independent Directors now recommend that Lat66 Shareholders reject the Offer and withdraw their acceptance.

Accordingly, the Lat66 Directors who have accepted the Offer have withdrawn their acceptance of the Offer in respect of Lat66 Shares they own or control. To date the acceptance rate is at 62.19%, thus, SunMirror now believes that it is more likely than not that the minimum acceptance condition (90% acceptance, by number, of all Lat66 shares) may not be fulfilled at the end of the offer period, being July 12, 2022 ("Offer Period"). If this condition is not fulfilled at the end of the Offer Period, all acceptances received would be void.

The - non-recoverable - costs for the acquisition of Lat66 total EUR 10.0 million, of which EUR 4.0 million have already been recognised and fully written off in the half-year financial statements as at 31.12.2021.
