Vienna, 4 June 2014 - FACC AG (the "Company") and its sole shareholder, FACC International Company Limited (controlled by Aviation Industry Corporation of China), have set the price range for the IPO of FACC AG at EUR 8 to EUR 11 per share. The shares will be publicly offered to investors in Austria between 4 June 2014 and 23 June 2014. In addition, there will be private placements of shares in certain countries outside of Austria. In the USA the shares will be offered to qualified institutional investors via a placement under Rule 144A under the U.S. Securities Act of 1933, as amended.

The final offer price shall be set on the basis of a book building process. Trading in the shares of FACC AG is expected to commence on 25 June 2014 under the ticker symbol FACC and the ISIN number AT00000FACC2 on the regulated market (Prime Market) of the Vienna Stock Exchange.

The offering will comprise up to 18,750,000 newly issued shares and up to 5,801,653 (at the high end of the Price Range), 4,607,656 (at the mid-point of the Price Range) or 2,965,909 (at the low end of the price range) shares from the holdings of FACC International Company Limited. In total, up to 21,715,909 shares shall be placed, with an additional up to 2,171,591 shares from the holdings of FACC International Company Limited to cover potential over-allotments. This corresponds to approx. 45 percent of the share capital of the Company (49 percent including the over-allotment).

The gross proceeds from the sale of newly issued shares of EUR 150 million will go to FACC AG. FACC AG intends to use the net proceeds from the offering (i) to finance the group's expansion, (ii) to enhance its capability to develop complete primary structures, (iii) to continue to focus on product innovation, (iv) to expand international cost-competitive sourcing of raw materials and production, and (v) to play an active part in the consolidation of the aerospace market and pursue selected add-on acquisitions and partnerships in line with the group's strategy.

The offering is described in detail in the prospectus, which is available starting today in the Investor Relations section of the Company website at the following link <http://www.facc.com/Investor-Relations>. The management roadshow

for institutional investors in Europe and the USA will begin today and is expected to end on 23 June 2014.
