

# direct market plus

The easy way to the capital market

## direct market plus: Benefit from easy access to the capital market

**Easy & Fast  
Access**

**Tradable & Visible  
for Investors**

**Low  
Costs**

You are a joint-stock company with several shareholders and are looking for a place to trade your stocks? As a small or medium-sized business you want to organize your succession and make sure your company stays in business. Or has your company come out of the founding and expansion phase, and is now looking forward to the growth phase?

We offer two segments – “direct market plus” and “direct market” – to give you fast, inexpensive and easy access to the capital market. Your stocks are tradable on the Vienna Stock Exchange and it is simple for investors to buy and sell shares in the company. National and international trading members trust our trading system, Xetra® T7, and contribute to the high quality of trading on the Austrian stock market.

Compared to Official Markets, the admission requirements and ongoing obligations are not as stringent, which makes access to the stock market easier. Additionally, a Capital Market Coach is at your side in direct market plus to help you comply with the requirements.

### The fast track to the stock market

Joining the Vienna Stock Exchange increases the visibility of your company and opens the door to the capital market at low costs. You gain access to new capital, new investor classes and new perspectives.

### Favourable stock exchange fees

- One-time fee for inclusion: min. EUR 5,000 plus 5 bps of market capitalization, max. EUR 12,500
- Annual fee: EUR 4,000

### Legal admission

**1**  
**Official Market**  
EU-regulated market

### Market segments for shares
