## Data Fees Enduser

- All data fees stated are exclusive of value added tax
- No data fees are collected for Delayed and End-of-Day Market Data
- The data fees for Level 2 Market Data also contain Level 1 Market Data
- Last Trade Market Data contains the last traded price with order size
- Unit of Count User-ID and Unit of Count Net-User-ID are treated equally in case of the billing for Non-Professional End Users

WBAG may waive the data fees for the subscription of Real-time Market Data by schools and universities upon request of the Contractual Partner. WBAG decides waiver requests on a case-by-case basis giving its approval in writing. WBAG reserves the right to rescind approval for any such fee waiver upon reasonable notice to the Contractual Partner.

As stipulated in the Reporting Requirements, the Unit of Count "Net User ID" applies only if there is a Market Data Agreement with WBAG and with the prior approval of WBAG. It applies exclusively for Internal Use and is applicable to all Market Data products pursuant to Annex 1 and all stock exchanges named in Annex 1 that are subject to MiFID II. The simultaneous Reporting of Internal Use per User ID is ruled out.

As a rule, the data fees for End Users apply unless the End User is a Non-professional End User as defined in the Agreement (see Clause 4.12 et seq). In this case, the data fees for Non-professional End Users mentioned in this Clause apply.
