About the Vienna Stock Exchange

As the region's central infrastructure provider, Wiener Börse AG opens the doors to global markets. It unites the Vienna and Prague stock exchanges. Listed companies benefit from maximum liquidity, while investors enjoy fast and low-cost trading thanks to its market leadership. The Vienna Stock Exchange collects and distributes price data and calculates the most important indices for a dozen markets in the region. Thanks to its unique expertise, the national stock exchanges in Budapest, Ljubljana and Zagreb also rely on the IT services of the Vienna Stock Exchange. In addition, it has holdings in other energy exchanges and clearing houses in the region.
