In the following we want to inform you about the **timing of this year's specialist tender**. Please note that a Specialist Period ends with the beginning of a new period; i.e. all current obligations as Specialist will end by the end of 29.03.2019.

On Monday 4 March 2019, Wiener Börse AG will be starting the regular annual tender procedure in which all participants are invited to submit bids for the specialist function for shares/ADCs included in the prime market **for the period as of 1 April 2019**.

Eligible to this tender are those trading participants, who are committed as a Specialist and/or Market Maker for shares/ADCs in continuous trading (equity market, continuous trading) at the beginning of this tender.
